

It was with extreme sadness that I received the news of the passing of Alan Knight.
During my time as an Officer of the County two men stood out.
Whilst I was County Competition Secretary, Alan Legg guided me over many hurdles and provided much needed advice from time to time. I felt his loss very personally.
Also, Alan Knight - who's advice during my time as County Secretary, was extremely valuable.
His counseling when my exuberance risked taking over, steadied the ship.
Whatever I may have achieved during my time as an Officer was, in no small part, down to these two stalwarts, whose support and advice cannot be measured.
I can only offer my sincere condolences to Pauline and family, at this very sad time.
