CHANGE OF SECRETARY NOTIFICATION

From the County Secretary

I am concerned that numerous clubs have changed their Secretary details over the last two months, and I have not been advised. It is imperative that I am informed of these changes, not just for my records which are very important in themselves, but I am also responsible for ensuring that the information sent to Bowls England, for inclusion in their Year Book, is up to date. If after completing Form Y changes take place please ensure that the information is passed to me as soon as possible. It should also be remembered that I need the most up to date Club details for our own handbook, which goes to print in February.
